IQZoom 60S

The compact zoom camera that combines functions and fun

Effortless and exceptional. Just the way you like to take your pictures.

Compact, yet packed full of handy features, the Pentax IQZoom 60S makes shooting a breeze, even when zooming in on distant subjects. It fits comfortably in your hand, pocket or purse and makes capturing the moment as easy as it is fun.

FOCUS-FREE OPERATION

With a focusing range from 3.3 feet (1.0m) to infinity, your subject will be in focus for clear, high-quality images every time. All you have to do is point and shoot.

35-60mm ZOOM

Zoom in and out quickly and easily. A variety of framing options are all yours with the push of a button.

I hope they got my best side.

AUTO EXPOSURE

Exposure settings are adjusted automatically so that the light is on your side.

BUILT-IN AUTO FLASH

In low light situations, the flash fires automatically.

RED-EYE REDUCTION

The incidence of "red-eye" that sometimes appears in a flash shot is significantly reduced.

* This feature does not eliminate "red-eyes" in all instances.

SELF-TIMER

You can be in the photo, too. Once you have framed the shot, the 10-second shutter-release delay provides ample time for you to take your place and smile.
