Nature's Camp

For the first time, Nikon has introduced a new line of cameras designed specifically for the outdoors. The Nikon Nature's Camp line includes the Nikon 35mm SLR camera, the Nikon 35mm SLR camera with flash, and the Nikon 35mm SLR camera with flash and viewfinder. The Nikon Nature's Camp line is designed to be rugged, reliable, and easy to use. It's the perfect camera for the outdoors.
