

The image shows the exterior of a building with a light-colored stucco facade. Above the main entrance, there is a row of seven small, dark-framed windows. Below this, the company name "VIELFRASS & CO." is mounted in large, silver, three-dimensional letters. The entrance itself is a large glass door and window unit with a blue frame, flanked by red brick pillars. The glass reflects the surrounding environment, including a corrugated metal roof and some greenery. The sky is clear and blue.

VIELFRASS & CO.
